## PIANOS & MELODEONS.

G. W. KIBBEE W HO has been for many years located in Tennessee as a Toner and Resair-rol Pianoa, would respectfully call the attention of the musical public to the fact, that he vis-Sted New York last year for the purpose of making arrangements with the best Plane Forte makers to sell their Instruments. After spending several weeks in that great me tropolis, visiting the different manufacturers of note, he came to the corollation and who night be judge in this case if a Puner of t celve cears is nor! - that the Pianos of Lighte, Newton & Bradbury's should be preferred to al others. He accordingly made an agreement with them, who env he is enabled to furnish Planos at retail cost in New York, freight and charges added, so that every one who buys of him may know that be is not paying more for his article than he would be charged by the manufacturers the melves if he were to visit them in person. This liquie a making twenty Pisnos per week, a such greater number than is made by any other in the United States, and for purity and volume of tone and speness of finish, both in side and out, the proof is that they stand wholly unrivalled. These Pianes were awarded the first premium by the juries of the World's Fair and the Fair of the American Institute in 1858. Among the many Musicians and Amateurs who have from time to the account of the control of the state of the world's Fair and the Fair of the American Institute in 1858. eurs who have from time to time examined these Instruments, testified to their superiority, and recommended them to their friends, are Lowert, Mason and Thus Hastings, o pid Feciety, N.Y., TERODORS FL-FIELD, capducter of the Philharmonic Society, N. Y., GEOLGE F. EGOT. Juror in the Pair of the American fostlore, in 1858. J. LEATI, U. C. HILL P. H NASH, FOWARD HOWE, Jr. Ac., &c., Guo, J. WERS, of Boston, the well known and popular ther and Composer, after examining these Instru-

and textifying to their entire syperiority, opened a House in Boston, the central point of the once renowned Chicker-ing, and within a short time sold upwards of Forty Pianos h-\$600 or \$700. This is the first New York Piano Agency ever established Guo P. Barstow, of New York, the distinguished composor, Organist and Charist, was authorized by the New York

Harmonic Society to select the best Plane that could be made for their use. He gave the preference to highte, Newton & Braidbury's "large soile" over all of the Grand's not excepted, and purchased one for the use of the Beriety. But Mr. Kinner desire it unnecessity to multiply words to the people of Middle Tennesses. The fact, that he has been for many years a speciesful Purper among them, and been for many years a successful funer among them, and has not with, and Tuned and Repaired Planos of every make, should inspire confidence in his judgment; and the make, should inspire confidence in his judgment; and the fact that he regularly visits them twice a year would show that it is more to his littinest to soil them a good Piano than it could be to that of any other dealer. As to the price and quality of these Pianos, Mr. Emmis exhibite the price list a d description of the Makers, which contains twenty different styles at prices, ranging from \$250 to \$800, at their Ware known, Nr. 421, knowne Street, New York. So there can be no deception practiced with reservince to price or style of finish, at hough the Pianos are not seen until de instee, and he is authorized by Mears, Lights, Newman & Kradbury to give warrantees of all their Pianos soid by him.

Mr. higher also visited the well known Melodeon Estab-Bahment of Carhart, Needham & Co., No. 97. Kast 23d St., New York, and made an arrangement with them to furnish Melodeon, so that he can sell them at their New York retail prices. freight added. These instruments have become very popular in the tastern and North-Western States, and ruly deserve the notile of all phone who are "Charmed by concord of sweet sounds."

He has also an arrangument with the firm of Firth, Pond

4 Co., New York, which cashles him to furnish Sheet Music
and small Muscal instruments at New York piece.
